

**Situation Analysis of Health Services for
Survivors of Sexual Assault**

QUESTIONNAIRE 1: HEALTH CARE PROVIDERS

Questionnaire Number:

--	--	--

General Information:

1.	Province/District/State Code (Primary sampling unit):	A.....1 B.....2 C.....3 D.....4	
2.	Level of health care facility (Secondary sampling unit):	Tertiary (level 1).....1 Regional (level 2)2 District (level 3)3 Other4	
3.	Name of facility:	_____	
4.	Date of interview:	__/__/_____ DD/MM/YYYY	
5.	Name of interviewer:	A.....1 B.....2 C.....3	

Demographic characteristics of health care provider:

I would first like to ask you some questions about yourself			
6.	What is your position at this health facility?	Psychiatrist1 Gynaecologist2 ER/Casualty Doctor.....3 Psychologist.....4 Paediatrician.....5 Forensic Nurse 6 Primary Health Care provider: Medical Officer7 Nurse8 Other _____(Specify).. 9	
7.	Sex of respondent:	Male.....0 Female.....1	
8.	What is your age?	[] [] years	
9.	How long have you been in service at this facility (in years)?	[] [] years	
10.	How long have you been in service in total (in years)?	[] [] years	

Service Provision:

I want to ask you some questions about the management of sexual assault /rape in your facility.			
11.	Do the providers who usually conduct medico-legal examinations of adult rape survivors at this facility work: a) Full-time or part-time or both? b) Mainly work in public facility or mainly work in private practice (facility) or both equally? c) On call or do examination if they are on duty or both? d) As doctors or nurses or both?	FT..... 1 PT..... 2 Both3 Public1 Private.....2 Both.....3 On call1 On duty only2 Both.....3 Drs 1 Nurses2 Both.....3	
12.	Do the providers who usually conduct the medico-legal/forensic examinations of child sexual abuse survivors in this facility work: a) Full-time or part-time or both? b) Mainly work in public facility or mainly work in private practice (facility) or both equally? c) On call or do examination if they are on duty or both? d) As doctors or nurses or both?	FT..... 1 PT..... 2 Both.....3 Public1 Private.....2 Both.....3 On call1 On duty only2 Both 3 Drs 1 Nurses2 Both3	

13.	In your experience, would you say that most, some or few of the rape survivors that you see report the rape to the police?	Most.....1 Some.....2 Few.....3 Don't know 98	
14.	How often would you say that rape survivors come first to the health care facility before going any where else?	Always.....1 Most of the time.....2 Sometimes.....3 Rarely.....4 Never.....5 Don't know 98	=> 17
15.	If a rape survivor comes to the health facility first , are they sent to police station before the physical examination?	No0 Yes 1 Don't know 98	=>17
16.	Are the police routinely called to come if someone presents first at the health facility after rape?	No0 Yes 1 Don't know 98	
17.	Do you routinely recommend that a rape survivor have a full medico-legal examination to collect evidence whether they choose to report the rape to police or not?	No0 Yes 1	
18.	How many adult rape victims (over the age of 18) have you seen personally over the last three months? Estimated Checked records	[] [] [] []	
19.	How long does an examination (including management of patient and documentation) of an adult patient after rape take on average ?	[] [] [] Minutes	
20.	How many case of child rape (17 and younger) have you seen personally in the last three months Estimated Checked records	[] [] [] []	
21.	How long does an examination of a child after rape take on average ?	[] [] [] Minutes	
22.	Does anyone examine patients for signs of rape before calling a medical officer/trained examiner?	Yes.....1 No.....0 Don't know.....98	
23.	Does the forensic / medico-legal examination take place at this facility or somewhere else?	At this facility.....1 Another facility.....2	

24.	Where do rape survivors usually wait before they are examined?	In a private room.....1 In public examination room.....2 In a public waiting room3 In the corridor.....4 Other _____5	
25.	Are chaperones / support people allowed in the examination room if the survivor is an adult?	Always 1 Most of the time.....2 Sometimes3 Rarely.....4 Never.....5	
26.	Are chaperones / support people allowed in the examination room if the survivor is a child / intellectually disabled?	Always 1 Most of the time.....2 Sometimes3 Rarely.....4 Never.....5	
27.	What concerns about their health do rape victims express, if any? (DO NOT READ) a) None b) Injuries c) HIV/AIDS d) STIs e) Pregnancy f) Mental health	No0 Yes 1 No0 Yes 1 No0 Yes 1 No0 Yes 1 No0 Yes 1 No0 Yes 1	
28.	How do you assess injuries? a) Descriptors b) Measurement c) Location vis midline & points d) Other _____	No.....0 Yes1 No.....0 Yes1 No.....0 Yes1 No.....0 Yes1	

29.	<p>What HIV/AIDS focused services, if any do you offer the patient after rape?</p> <p>(Circle as many responses as apply)</p> <p>a) None</p> <p>b) Offer VCT</p> <p>c) Referral for VCT</p> <p>d) Advice about anti-retrovirals (PEP)</p> <p>e) A prescription for PEP/ PEP drugs</p> <p>f) Other _____</p>	<p>No0</p> <p>Yes 1</p> <p>No0</p> <p>Yes 1</p> <p>No0</p> <p>Yes 1</p> <p>No0</p> <p>Yes 1</p> <p>No0</p> <p>Yes 1</p> <p>No0</p> <p>Yes 1</p>	<p>=>34</p> <p>=>32</p>
30.	What PEP regimen is prescribed?		
31.	Is the full course of PEP drugs given all at once?	<p>3 day starter pack then all of remaining drugs 1</p> <p>All drugs given at one time 2</p> <p>7 day supply given 3</p>	
32.	If a rape survivor agrees to HIV testing, who does the test?	<p>Doctor in hospital.....1</p> <p>Nurse.....2</p> <p>Lab technician.....3</p> <p>Not available.....4</p>	
33.	When do they get the results of the HIV test?	<p>Immediately available 1</p> <p>On return visit 2</p> <p>Don't know 3</p>	
34.	<p>What pregnancy related services do you routinely offer the patient after rape?</p> <p>a) None</p> <p>b) Ask about contraceptive use</p> <p>c) Pregnancy test</p> <p>d) Emergency contraceptives (if appropriate)</p> <p>e) IUD insertion (if appropriate)</p> <p>f) Abortion counselling / Information (if appropriate)</p>	<p>No0</p> <p>Yes 1</p> <p>No0</p> <p>Yes 1</p> <p>No0</p> <p>Yes 1</p> <p>No0</p> <p>Yes 1</p> <p>No0</p> <p>Yes 1</p> <p>No0</p> <p>Yes 1</p>	<p>=>36</p> <p>=>36</p>

35.	Which women get emergency contraception?	Everyone 1 All adult women who have gone through menarche 2 All non-pregnant adult women 3 All non-pregnant adult women who are not on a reliable method of contraception 4 Other 5	
36.	What STI related services do you offer the patient after rape? a) None b) Give prophylactic treatment c) Refer to STD clinic d) Send swab to lab to test for STIs	No 0 Yes 1 No 0 Yes 1 No 0 Yes 1 No 0 Yes 1	=>39 =>39
37.	What STI treatment would you give a patient who has presented after rape?	_____ _____ _____ _____ _____	
38.	Who gets STI treatment?	Everyone 1 All adult women and men 2 All non-pregnant adult women 3 All non-pregnant adults and children 4 All children 5 Other 6	
39.	Do you routinely give or prescribe anti-emetics?	No.....0 Yes1	
40.	How often do you refer rape victims for trauma / psychological counselling?	Always.....1 Often.....2 Seldom.....3 Never.....4	
41.	How often do you do counselling with patient yourself?	Always.....1 Often.....2 Seldom.....3 Never.....4	
42.	How often do you refer rape victims for legal advice / support?	Always.....1 Often.....2 Seldom.....3 Never.....4	
43.	Who undresses the patient before the examination?	Patient themselves 1 Nurse 2 Examining provider 3	

44.	Is the patient undressed on a sheet of paper?	No.....0 Yes1	
	Would you say that you always, mostly, sometimes or rarely/never collect the following when examining a women/girl who presents after rape?		
45.	Collection of panties	Always collect?.....1 Mostly complete.....2 Sometimes complete.....3 Rarely/Never complete.....4	
46.	Collection of a sanitary pad (if used)	Always collect?.....1 Mostly complete.....2 Sometimes complete.....3 Never complete.....4	
47.	Collection of external anal swab	Always collect?.....1 Mostly complete.....2 Sometimes complete.....3 Never complete.....4	
48.	Collection of tampon (if used)	Always collect?.....1 Mostly complete.....2 Sometimes complete.....3 Never complete.....4	
49.	Collection of external genital swab	Always collect?.....1 Mostly complete.....2 Sometimes complete.....3 Never complete.....4	
50.	Collection of deep vaginal swab	Always collect?.....1 Mostly complete.....2 Sometimes complete.....3 Never complete.....4	
51.	Collection of cervical swab	Always collect?.....1 Mostly complete.....2 Sometimes complete.....3 Never complete.....4	
52.	Collection of reference DNA sample	Always collect?.....1 Mostly complete.....2 Sometimes complete.....3 Never complete.....4	
53.	Do you use a pre-packaged rape kit when conducting a medico-legal / forensic examination?	No0 Yes 1	=>61
54.	Do you keep these pre-packaged rape kits at the health facility?	No0 Yes 1	=>56
55.	Where do you get the kits from?	Police1 Other2 Don't know 98	
56.	Would you say that the pre-packaged rape kits are in pristine condition always, mostly, sometimes, seldom, never?	Always.....1 Mostly.....2 Sometimes3 Seldom.....4 Never.....5	
57.	Do you ever complete a pre-packaged rape kit if the patient chooses not to report the rape to the police?	No0 Yes 1	

58.	Where are the kits kept after completion?	In the examination room.....1 In the facility manager's office.....2 Other: _____3	
59.	Are the kits kept in a locked cupboard (after they are completed)?	Yes.....1 No..... 0 Don't know 98	
60.	Who keeps the key?	Receptionist1 Nurse in-charge2 ER/casualty chief medical officer3 Facility superintendent4 Matron5 Other _____ 6	
PROTOCOLS / CLINICAL MANAGEMENT GUIDELINES:			
61.	Are there protocols/guidelines for the management of rape survivors?	Yes.....1 No..... 0 DON'T KNOW..... 98	=>64 =>64
62.	Where are they kept?	In the examination room.....1 Facility Managers office2 Other3 Don't know 98	
63.	Are they displayed or kept in a drawer?	Displayed1 In drawer. 2 Don't know98	
TRAINING:			
64.	Have you ever received any formal training on the management of rape?	Yes.....1 No.....0	=>91
65.	How many different training courses have you attended?	[] []	
66.	Have you ever provided training on the management of rape/sexual assault to other health care providers?	Yes.....1 No.....0	
67.	First training: Was this undergraduate (basic), post-graduate or in-service training?	Undergraduate (Basic medical or nurse training)1 Post-graduate (Specialist or advanced training)2 In-service.....3 Other: _____	
68.	First training: In which year did you receive the training?	— — — —	
69.	How long was your first training ?	[] [] [] days	
70.	Second training: Was this undergraduate (basic), post-graduate or in-service training?	Undergraduate (Basic medical or nurse training)1 Post-graduate (Specialist or advanced training)2 In-service.....3 Other: _____	

71.	Second training: In which year did you receive the training?	— — — —	
72.	How long was your second training ?	[] [] [] days	
73.	Third training: Was this undergraduate (basic), post-graduate or in-service training?	Undergraduate (Basic medical or nurse training)1 Post-graduate (Specialist or advanced training)2 In-service.....3 Other: _____	
74.	Third training: In which year did you receive the training?	— — — —	
75.	How long was your third training ?	[] [] [] days	
76.	Thinking about all the training that you have attended, what was covered:		
77.	Medical treatment excluding PEP	Yes.....1 No.....0	
78.	PEP	Yes.....1 No.....0	
79.	Using the evidence collection kit	Yes.....1 No.....0	
80.	Completing the medico-legal form	Yes.....1 No.....0	
81.	Law (covering rape & sexual offences)	Yes.....1 No.....0	
82.	Giving evidence in court	Yes.....1 No.....0	
83.	Referrals to other services	Yes.....1 No.....0	
84.	Psychosocial issues	Yes.....1 No.....0	
85.	Secondary victimisation	Yes.....1 No.....0	
86.	Counselling	Yes.....1 No.....0	
87.	Gender issues	Yes.....1 No.....0	
88.	Other: _____	Yes.....1 No.....0	
89.	Did your training cover male survivors of sexual violence?	Yes.....1 No.....0	
90.	Did your training cover child sexual assault?	Yes.....1 No.....0	
91.	Would you like to receive (additional) training on rape?	Yes.....1 No.....0	

	ATTITUDE I am going to read some statements about rape. I would like you to tell me whether you strongly agree, agree, disagree or strongly disagree with the statements.					
92.	A woman who has been raped has a serious medical problem	SA (4)	A (3)	D (2)	SD (1)
